COPY OF LETTER DATED 17/8/11 RECEIVED FROM Mr.W.R.LEASK  
Fishsalesman., Peterhead.

Dear Sir,

Your letter of the 4th inst. addressed to the  
London and Peterhead S.F.Co.Ld. has been forwarded to me.

It is our intention to keep the boats in class but  
it will practically be impossible to carry out the surveys  
now, being the height of the fishing.

Will you grant permission to extend the time until  
the Spring of next year when we hope to carry through the  
Surveys?

Yours faithfully,
