S.S. "WILLIAM KNIGHT"

The Hull of this vessel has been built under Special Survey of the Society's Surveyors at Aberdeen.

The Engines and Boilers have been constructed and the machinery installed on board under the survey of the British Corporation Surveyors. The Certificate issued by that Corporation is attached herewith.

As it is provided in the Committee's circular letter dated the 16th March, 1918 that, in such cases, this Society will issue the Machinery Certificate with the notation of LMC with date in red, it is submitted that this vessel is now eligible for the record of LMC 6,19.
