Enclosures.

Dear Sirs,

I beg to remind you that the vessels of your Fleet, mentioned on the enclosed sheet, have now become due for the Special Survey No.1 prescribed by the Society's Rules, and I shall therefore be obliged if you will kindly let me know for the information of the Committee what arrangements you propose making to have the requisite inspections carried out.

For your information I enclose herewith an abstract from the Society's Rules describing the Special Survey No.1 together with a list of the ports at which Surveyors to this Society are stationed.

I am, Dear Sirs,

Yours faithfully,
