COPY OF LETTER DATED 17/8/11 RECEIVED FROM Mr.W.H.LEASK
Fishsalesman., Peterhead.

Dear Sir,

Your letter of the 4th inst. addressed to the
London and Peterhead S.F.Co.Ld. has been forwarded to me.

It is our intention to keep the boats in class but
it will practically be impossible to carry out the Surveys
now, being the height of the fishing.

Will you grant permission to extend the time until
the Spring of next year when we hope to carry through the
Surveys?

Yours faithfully,
