

FREEBOARD REPORT on the *Unclassed Steamer "Warawala"*.

It is submitted, in view of the condition of the vessel as described in Calcutta Rpt. 5993 dated 3.8.26, that Captain be requested by cable to state whether in his opinion a provisional certificate for a restricted draught might be granted for a voyage from Calcutta to Japan, and to state what draught he would recommend for this purpose, it being concluded that it is not intended to load a cargo for Japan.
