

COPY. of a letter dated 6th July
received 9th August, from Messrs Booth & Co. Para.

Dear Sir,

OUTSTANDING SURVEYS.

Further to your many enquiries regarding the
surveys due on the "Sao Pedro", Moacyr", Freire Castro",
"Lobao", Cassio Reis", "Barao de Cameta", Coronel", and "Envira",
we are still without replies from the Owners, and can only
think that, owing to the severe crisis that this district is
presently passing through, they either cannot afford or do
not wish to spend more money on their steamers at present.

Yours faithfully,

p.pro Booth & Co. (London) Ltd.
