Dear Sirs,

S.

Reverting to the correspondence which took place between us in August, 1911 respecting the classification in the Society's Register Book of your Steamers "DELTA A" and "DELTA B", and to subsequent communications addressed to you from this Office on the 25th February and 4th and 24th April last, to which no reply has been received, I have to acquaint you that the cases of these vessels will shortly require to be placed before the Committee for their decision, and shall be ~~also~~ obliged if you will kindly let me know for their information what definite arrangements you propose making in regard to the Special Survey No.1 and the examination of the screw shafts of these vessels.

I am, Dear Sirs,

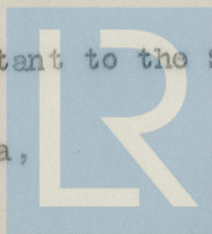

Yours faithfully,

Assistant to the Secretary.
