urvey due *Screw Shaft Survey due September. 1910.*  
*Special Survey No.1 due September. 1912*

In August, 1911 the Owners stated they wished to withdraw this vessel's class. They expected, however, that this would only be for one or two years, at the end of which time the vessel would become their own property. The Amsterdam Surveyors pointed out that the Owners were obliged to take this step by the Mortgagees. The case was before the Committee on the 15th August, 1911, and as no survey was actually due no action was taken in the matter.

Letters were addressed to the Owners on the 25th February and the 4th and 24th April relative to the overdue
