The Secretary
Sir

I have to acknowledge the receipt of the Cladding letter of 27th inst and in reply to the query contained therein, re the weight of the Chain Cables supplied to T.B.S. Delta, Belfast report 5963, I beg to state that I called the Builders attention to the fact that the weight of the cables was less than required per Table 22, and was informed that it was very difficult to get the weights of the larger cables more exactly to the requirements than these were, and as the deficiency was only .3 of 1 per cent, I did not consider that any objection would be raised to their acceptance by the Committee and I regret that I did not mention the
