

Lloyd's Register of Shipping,

55, Fawcett Street,

Sunderland, 6th September, 1937.

Reference

Dear Sir,

With reference to our letter of the 27th ultimo regarding Messrs. Bartram & Sons' Yard No. 279, the Builders state that they would be glad to know if the beams on the second deck have been approved as they have an opportunity of an early rolling for these sections.

Please let us know by wire.

We are, Dear Sir,

Yours faithfully,
THE SURVEYORS,
PER:

John Rennie

The Secretary,

LONDON.
