The Secretary,

LONDON.

Dear Sir,

White's Marine Engineering Co. Ltd.  
Engine No. 14C  
for Bartram & Sons' s.s. No. 279.

We beg to submit for the consideration of the Committee a letter which has today been received from the Engine Builders giving particulars of the machinery proposed for this Contract.

Drawing No. C.663 (in triplicate) showing arrangement and details of shafting is also enclosed for consideration.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS,
