

ELECTRICAL EQUIPMENT.

Shipbuilders: Messrs. **BARTRAM & SONS**

Yard No. **279.**

Engineers: Messrs.

It is submitted that, provided the installation be as shown *and amended.*

on the plans and to the Surveyor's satisfaction and the

remaining requirements of the Rules for Electrical Equipment be complied with, the plans merit approval.

Plans approved: - *It is noted from plan No 246 that two 10kw 110V generators will be installed. The invoices should be informed that the connection of this 100 A D.P. changeover <sup>main</sup> switch - as shown in the connection diagram, is not correct and has been amended. It is to be recommended that the earth lamps be mounted side by side to facilitate comparison of brilliance.*
