Dear Sir,

Steamer " DALAND " .-

In reply to your letter dated April 3rd , I have to state we were called on telephone by the Agents and an appointment made for February 27th to visit the vessel for the purpose of re-classification; this appointment was kept by us, but there was no one to receive us and nothing ready for reclassing survey . The decks were being cleaned and lower side bunkers .

I have again had an interview with the Owner who still seems to be disposed to class with us. I have again informed him the Society's rules for Special survey N° 3 ~~must~~ be carried out , extracts of which I have given to him, but he does not appear to take the rules seriously and in the mean time I find the vessel is being classed with Bureau Veritas .

I am, Dear Sir,

Yours faithfully.

The Secretary  
London .
