Constantinople 2nd April 1920.

Messrs. The Russian Volunteer Fleet,  
Constantinople.

Dear Sirs:-

In reference to our repeated inquiries in reference to the long overdue survey on your steamer "DALAND" will you kindly inform us without fail by 4 o'clock this afternoon whether you intend presenting this vessel to us for reclassification, as I wish to inform London definitely.

If I do not receive a reply I will conclude that you cannot re-class this vessel at this time, and inform London accordingly.

Yours faithfully,  
(Signed) Arthur T. Thomas.
