Sir,

Reverting to my letter of the 11th ultimo respecting steamer "DALAND" to which no reply has been received, I am glad to acquaint you that no information in regard to the progress of the surveys of this vessel has yet come to hand from the agents, and I enclose, for your information, a copy of a communication which has been addressed to them from this office, and shall be glad if you will ascertain and let me know what definite arrangements they propose making to have the requisite inspections held.

I am, Dear Sir,

Yours faithfully,

Secretary.
