20th October, 1914.

Dear Sirs,

I am in receipt of your letter of the 12th instant respecting the steamer "DALAND", and have placed the same before the Committee at their meeting today.

The Committee note that this vessel is now laid up at Sulina owing to the Dardanelles being closed and that as soon as she returns to Northern Europe the Boiler Survey will be carried out, and the Committee are agreeable to this arrangement.

I am, Dear Sirs,

Yours faithfully,

Secretary

The Surveyors,

GOTHENBURG.
