Port of Registry Gothenburg

Boiler Survey due June, 1914.

25th August the Committee agreed to the above survey being
deferred until the vessel's return to Europe in about six week's time.
In reply to further enquiry the Gothenburg Surveyors now
they are informed by the Owners that the vessel is at present
at Sulina in Roumania and is unable to proceed on her home
until the Dardanelles are reopened.
As soon as the vessel has returned to the Northern Europe
Owners' Superintendent will arrange to have the Boiler Survey

Submitted action be deferred.
