29th May, 1929.

Dear Sir,

10

I duly received your letter of the 2nd instant, enclosing the special damage report you have issued in connexion with the grounding of the steamer "DON CARLOS" on Algarrobo Point, and to say that your remarks regarding the matter have been noted.

In view of what you now state, it is concluded that the question of the reclassification of the vessel has been entirely abandoned.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.

A. F. Smith, Esq.,

VALPARAISO.
