S.S. "DON CARLOS"

---

This vessel built in 1905 was classed 100A1, but the class was omitted from the reprint of the 1911/12 Register Book.

The Valparaiso Surveyor now cables that the Owners desire to have her class reinstated, and requests authorisation to hold the 2nd S.S.No.3.

It is submitted the Surveyor be authorised accordingly and the usual particulars of scantlings be forwarded for his information.
