Particulars of Classification (which must be inserted precisely as in Register Book & Supplements).

N.B.—All alterations in the existing records should be underlined.

If the Vessel has Water Ballast Tanks, state whether the manhole covers have been removed, and the insides of the tanks examined. Also state the amount of deterioration (if any) found in the thicknesses of the floors, framing, girders, and of the inner bottom plating, especially in the boiler space.

(Periodical Surveys, when held, must be reported in detail and serially in the terms of the Rules. State clearly the nature, if any, and, in detail, the nature and extent of Examinations and subsequent repairs. Repairs Damage (the cause of which must be stated) should be separated from Repairs due to other causes; repairs detailed in the body of the report, should be summarised in the form shown below. Whenever the Anchors or Chains is reported, the particulars should be clearly stated in the space provided on this form. State also the dates and initials of any letters respecting this case.

Society's Freeboard (if assigned) as painted on Ship and now verified

Where the Surveyor has not made a special damage report he is required to state whether he offered his services for this purpose and to whom and why declined?

Was a damage report made by anyone else? If so, by whom?

RE EXAMINATION AS PER RULE, FOR
