Dear Sirs,

With reference to the classification of the Steam Trawlers "JAMES ADAMS" and "JOHN EBBS", which vessels are now the property of the Belgian Pilotage Service, I shall be glad if you will ascertain and let me know what arrangements are proposed to be made to have the Special Surveys No.1, which became due at the end of October and December last respectively in these cases, carried out.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

ANTWERP.
