The 1st S.S .No.3 became due in June, 1914,  
and has been partly held.

This case has received the consideration of  
the Classing Committee on several occasions, and on the  
10th December the Surveyors at Bilbao were requested to  
inform the Owners that definite arrangements to complete  
the Special Survey No.3 must be made at once as otherwise  
there would be no alternative but to deal with the class.

The Classing Committee had before them on  
Friday last, the 21st instant, a communication from the  
Bilbao Surveyors, from which it appeared that the Owners  
had stated that the vessel was coming to Bilbao, but when  
they could not say definitely.

In the circumstances the Committee decided to  
expunge the class with a red line (~~1.76~~), indicating  
non-compliance with the Rules.
