

assure himself of the thorough efficiency of those parts of each Boiler?

S.S. "Bolnes"

Submitted the Barcelona Surveyor  
he communicated with <sup>by</sup> wire & instructed  
to reply <sup>by</sup> wire to the Sec<sup>y</sup> letter of 1. July 15  
and state if the S.S. No 3 on the hull of  
this vessel was advanced or completed  
at Barcelona and if so forward his  
report without further delay.
