Received from Chief Ship Surveyor

VESSEL'S NAME St. L. "Marie Elisabeth" Report Publ. No. 3375

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/02.)

Nature of Survey First entry

It is submitted the Middlesex Surveyors be requested to state for the information of the Committee why the steel wire ropes have been accepted with a less breaking test than required by Table 22.
