Sir,

s/s Emmanuel

Having been absent these last days I beg to excuse me for
answering earlier your esteemed letter of the 3rd inst re the exa-
mination of the steamtrawler above,

As your surveyor at Milford, Mr Johnstone, is aware of, it is
remely difficult for a private firm to obtain the use of the slipway
e, as H.M. patrolboats to which preference is given are almost every
on it.

Yet when the "Emmanuel" was on the slipway as I explained it
your representative there was hardly time allowed for scrubbing and
painting which made the drawing of the propellor shaft quite impossible

I may assure you that I am looking forward to the first oppor-
tunity to have the necessary work done as per your request and I do ho-
pe you will take the circumstances in which I am into consideration.

Believe me, Dear Sir,

Yours truly,

Johnstone
