due Screw shaft survey due May 1916.

Special Survey No. 1. due July 1916.

In October last the Milford Surveyor forwarded a letter he has received from the Owner reading as follows :-

"With reference to the survey of this trawler, I beg to inform you that she has been on the slipway for painting and scrubbing on Sunday. As she could only go after a Government patrol boat for three hours, I was not allowed to have her propeller and shaft drawn as requested. Everything, however, has been found in perfect good order".
