Enclosure.

16th January, 1920.

Dear Sir,

H.

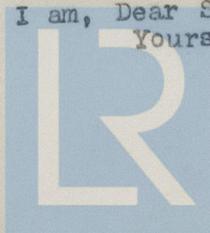

With reference to Gibraltar Report No. 3 on the steamer "FACI", I have to point out that the annual Boiler Survey, which became due so long ago as February last, has not yet been held, and that the vessel became due at the end of September for Special Survey No. 2.

For your information I enclose a translation of a letter which was addressed to the new Owner on the 22nd September, and may say that no reply has been received to this communication or to a subsequent enquiry addressed to him on the 10th November last, and in the circumstances I shall be glad if you will furnish me with any information you may be able to obtain regarding the vessel's present position and the arrangements which are proposed to be made with a view to the outstanding matters of survey receiving the necessary attention.

I am, Dear Sir,
Yours faithfully,

C.E. Goodyear Esq.,

GIBRALTAR.
