16th July, 1915.

Dear Sirs,

H. With reference to the classification in this Society's Register Book of the steamer "ETELVINA", I beg to remind you that letters in regard to the Special Survey No.1 and survey of the screw shaft, which became due at the end of December and April last respectively, were addressed to you from this office on the 8th January and 16th April but that no reply has been received to these communications.

In the circumstances the Committee, who have had the case under their consideration at their meeting today, direct me to request that you will state for their information what definite arrangements you propose making to have the requisite surveys held in order to entitle the vessel to retain her class.

I shall therefore be glad to learn by return mail for the Committee's information what steps you propose taking in the matter.

I am, Dear Sirs,

Yours faithfully,

Secretary.
