9th April, 1914.

Dear Sirs,

I have to acquaint you that it appears from a First Entry Report received from the Society's Surveyors at Hull that the steam trawler "ENGLISH ROSE", built by Messrs. Cochrane & Sons, Ltd. is proceeding to Lowestoft.

To complete the survey on the hull the following remains to be done, viz:- masts and rigging to be examined, chain cables to be examined and checked with certificate.

I shall be glad if you will give the case the necessary attention and on completion of the work forward a report on Form 8 in the usual manner for the information of the Committee with a view to the classification of the vessel.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
LONDON.

Secretary.
