

by Chief Ship Surveyor 9.4.14

Received from Chief Ship Surveyor _____

L'S NAME Sc Steam Trawler "English Rose" Rpt. Hul No. 27364

remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

of Survey 1st Entry

It is submitted the London Surveyors be advised that this vessel is proceeding to Lowestoft, and to complete the survey on the hull the following remains to be done

Masts & rigging to be examined

Chain cables to be examined & checked with certificate

The London Surveyors should be requested to give the case the necessary attention, & on completion of the work to forward a report on form 8 in the usual manner with a view to the classification of the vessel.

M. A.P.
9.4.14

The Hull surveyors should be requested to forward the capacity of the deep tank forward as this has been omitted from their report.
