The Buenos Aires Surveyor recently reported that this vessel  
was undergoing repairs at his port in consequence of damage  
sustained through grounding, but he was informed by the Owner,  
per letter attached, that he wished the vessel's class to be  
withdrawn from the Register Book.

The case was before the Classing Committee on the 9th instant,  
and it was decided to withdraw the class from the Register Book,  
and to insert three dots (...) in lieu thereof, indicating withdrawal  
of class at Owner's request.
