

Lloyd's Register of Shipping.

201, Tower Building,

Liverpool, 3.

28th December, 1937.

Dear Sir,

I shall feel obliged if you will kindly forward to this office the report on new Thimble Tube Boiler made by Messrs. Abbott of Newark-on-Trent, marked:-

LLOYD'S
No. 591
Test Pressure 215
Working Pressure 110
W.K. 9.9.37,

now fitting in the M.V. "ATHELCHIEF".

I am, Dear Sir,

Yours faithfully,

D. M. Keith

Secretary to the
Liverpool Committee.

The Secretary.

LONDON.
