E.

Dear Sirs,

I was duly favoured with your letter of the 25th ultimo, with enclosures advised therein, in further reference to the above matter, and with regard thereto I have the pleasure to acquaint you that the amended plan of thimble tube boiler will be approved for a working pressure of 110 lb. per sq. inch, provided the welding be to the satisfaction of the Society's Surveyors and the boiler be constructed under the usual conditions of survey and testing. Also enclosed. One copy of the plan in question is returned herewith, and the plan approved in my letter of the 28th April last has been cancelled.

Yours faithfully,

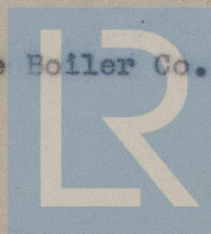

I am, Dear Sirs,

Yours faithfully,

Secretary.
