The 1st S.S.No.1 became due in June last, and the year of grace will not expire until the end of June, 1912.

The Owners recently stated that as they did not intend to insure the vessel, they did not propose to carry out the Special Survey.

The case received the consideration of the Classing Committee on the 26th instant, when it was decided to withdraw the Vessel's class from the Register Book, and to insert three dots (...) in lieu thereof, indicating withdrawal of class at Owners' request.
