Enclosures.

25th May, 1910.

Gentlemen,

S. I am in receipt of Mr. Wilson's letter of the 19th instant, respecting the First Entry Report on the Lighter "G.C.R-A", and with reference to the fitting of pillars I return the plans of the vessel and have to request that you will state whether the vessel as built without the pillars in question is in your opinion efficient. If so, you should amend the plans so as to agree with the lighter as built.

I am, Gentlemen,

Your obedient servant,

Secretary.

The Surveyors,

HULL.
