M.

The Secretary,

London,

Sir,

The steel steamer "I n g a" built under special survey by Messrs A. Vuyk Capelle a/d Ysel has been launched on saturday the 27th instant ; and with reference to the equipment supplied to this vessel ; I beg to in-form you that the third bower anchor is about 141lbs short in weight , while the heads of each anchor are also less than  $\frac{3}{5}$ th the total weight of the anchor; the three bower anchor certificates have been forwarded for your approval.-

I have also enclosed the kedge anchor certificate , same being 7 lbs less Rule weight; the equipment number for the vessel is approved 14367 ...letter M.....

Four certificates enclosed..

I am Sir,

Your Obedient servant..
