Dear Sirs,

Further to my letter of yesterday's date respecting the classification certificates of the Motorship "ARARA UARA", I beg to acquaint you that I am now in receipt of a cablegram from the Society's Surveyors at Genoa, stating that the sanction of the Engine Makers has been obtained to the machinery certificate being handed over to you, and I have therefore pleasure in enclosing herewith in duplicate the classification certificates of both the hull and machinery of this vessel.

I am, Dear Sirs,

Yours faithfully,

Secretary.
