Dear Sirs,

S. I am favoured with your letter of yesterday's date, respecting the classification certificates for the motor ship "ARARAQUARA", for which I am much obliged.

I am now awaiting the receipt of a reply to a cablegram which I have addressed to the Society's Surveyors at Genoa on the subject and I need hardly say that immediately this comes to hand I shall have pleasure in forwarding the certificates to you.

I am, Dear Sirs,

Yours faithfully,

Secretary.
