Dear Sirs,

With reference to your letter of the 17th instant regarding the classification certificates of the Motorship "ARARAQUARA", I beg to acquaint you that, in accordance with the usual practice, it will be necessary for the sanction of the Engine Makers, Messrs. Fiat, Stab. Grandi. Motori, to be obtained before forwarding these documents to you.

It is understood that the Society's Genoa Surveyors are applying to the Engine Makers for a letter stating that they are agreeable to this course, and on the receipt of the same, I shall have the pleasure of sending the certificates to you, in duplicate, as desired.

I am, Dear Sirs,

Yours faithfully,
