9th July, 1919.

Dear Mr Redman,

With reference to your letter of the 30th ultimo and mine of the 2nd instant respecting the surveys of vessels owned by the French Government, I may say that I have now placed a statement explaining the situation before the Classing Committee, and that in the circumstances they have agreed to the matter standing over for a time.

With kindest regards,

Yours faithfully,

C.F. Redman, Esq.,
