Survey due Screw Shaft Survey due September 1916.  
Boiler Survey due March 1917.

Various inquiries were addressed from this office to the late Owner in regard to the above surveys to which no reply was received and as it appeared at the beginning of September last that the vessel had recently been transferred to Mr. C. Proppe the Committee gave instructions that he should be asked to state what definite arrangements he proposes making to have the requisite inspection held.

Mr. Proppe now writes that he sold the vessel to the French Government.
