Enclosures.

September 5th 1917.

Dear Sir,

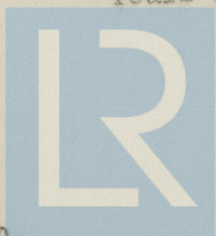

I enclose herewith, for your information, a copy of a letter which I have addressed to Mr. C. Proppe, the new Owner of the steam trawler "JARLINN", in regard to the surveys of the screw shaft and boiler which are now due in accordance with the Society's rules, and shall be obliged if you will kindly appoint a competent and independent Surveyor to hold these inspections in the event of the Owner desiring this to be done. A form for reporting the surveys is also enclosed which should be returned to this office in due course, and I may say that all fees and expenses in connexion with the matter must be paid by the Owner (or his representative) and should accordingly be charged by you to him.

I shall be glad if you will be good enough to advise me should the requisite inspections not take place within a short time of your receiving this letter.

I am, Dear Sir,

Yours faithfully,

Asgeir Sigurdsson, Esq.,
