 ey due Screw Shaft Survey due September 1916.
 Boiler Survey due March 1917.

A notice in regard to the survey of the screw shaft was sent to the late Owner from this office on the 13th of December last to which no reply was received. In the circumstances a further letter was addressed to the late Owner on the 26th of March in regard to the screw shaft survey and boiler survey, and as this communication failed to elicit a reply the Committee, who had the case before them on the 15th of May, directed that the late Owner should be requested to state what definite arrangements he proposed making to have the survey of the screw shaft held in order to entitle the vessel to retain her class.
