Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.

26th March, 1917.

H. Dear Sir,

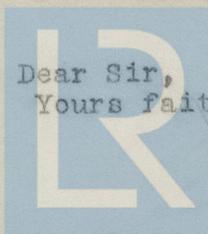

With reference to the classification in this Society's Register Book of the steamer "JARLINN" I beg to remind you that a notice in regard to the overdue Survey of the Screw Shaft of this Vessel was sent to you from this Office on the 13th December last, to which no reply has been received.

In the circumstances, I shall be obliged if you will kindly let me know, for the information of the Committee, what definite arrangements you propose making to have the requisite inspection held.

I think it well at the same time to add that the Boiler Survey will become due at the end of the present month, and I shall also be glad to learn when and at what Port it will best suit your convenience to carry out this requirement.

I am, Dear Sir,  
Yours faithfully,

A. Jonsson Esq.,  
Isafjord,  
ICELAND.
