TELEFOON N°. 3895.

of Mr Murrell's Super-Intending Engineer, that owing to the Services rendered by me during the overhauling of Engines & boilers, the fitting up of same in the vessel, and to bring them in an efficient working condition Mr Murrell is greatly indebted to the Society and we deserved a better treatment from his side.

I Enclose a duly signed Receipt and shall be glad to be informed when the fee has been paid. In case of refusing I will again endeavor to have same collected from the Builders in which yard I have two vessels in course of construction.

I am, Sir

Your Obedient Servant
