FROM

MARINE SUPERINTENDENT,  
DUNEDIN.

To  
A. Morrison, Esq.,

Lloyds Surveyor,  
123 High Street, Dndn.

2-1915.

Dear Mr. Morrison,-

With reference to the attached correspondence from Lloyds Secretary re the "Kaitangata" screw shaft, I find from my files that while the vessel was under Survey at Sydney on the 9th July last, that both Lloyds and the Navigation Surveyors agreed it was <sup>not</sup> necessary to withdraw the shaft for another year.

Yours faithfully,
