71, Fenchurch Street, E.C.

14th May, 1915.

H. Dear Sir,

With reference to my letter of the 13th January last to which I have received no reply, I have to request that you will let me know by return mail what arrangements the Owners of the steamer "KAITANGATA" propose making for the survey which became due on the screw shaft so long ago as July last to be carried out.

I am, Dear Sir,

Yours faithfully,

Secretary.
