71, Fenchurch Street, E.C.

23rd April, 1914.

Dear Sir,

I have to acquaint you that according to a report received from the Society's Surveyors at Glasgow, it appears that the new main boiler (No. 1504, certificate No. 12596), has been made under their insteccion by Messrs. Lindsay, Burnet & Co., and has been despatched to your port.

I shall be glad if you will be good enough to let me know the name of the vessel on which it is intended to fit this boiler and also advise me of the fact directly the work of fitting it on board is completed with a view to the customary notation being made in the Society's Register Book.

I am, Dear Sir,

Yours faithfully,

H. L. Fletcher, Esq.,
SHANGHAI.

Secretary.
