12th. November, 1909.

Gentlemen,

Reverting to my letter of the 19th. ultimo respecting the steamer "JUNO", I have to acquaint you that I am in receipt of a letter from the Society's Surveyors at Genoa in which they state they are informed by the Owners that the vessel is expected to arrive at Rotterdam early next month, when the new boilers will be fitted. With regard thereto, I may say that the Committee have agreed to this further postponement on the understanding that the proposed arrangement is adhered to without fail, and I shall be glad if you will be guided accordingly.

I am, Gentlemen,

Your obedient Servant,

The Surveyors,
ROTTERDAM.

Secretary.
