

to Chief Surveyors 7. 10 09
 VESSEL'S NAME SS Juno

Received from Chief Surveyors
 Rpt. for No. 4549

For the ~~CHIEF SHIP SURVEYOR~~ and CHIEF ENGINEER SURVEYOR.

(In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/6/02.)

No. Boilers SURVEY PARTLY HELD.

12.08

When proposed to be completed

due

day of Survey held, &c.

The boiler survey of this vessel became due 12.08 & was partly held at Genoa in 8.09. to complete it, the donkey boiler requires to be surveyed in its entirety.

The Genoa Surveyor has been informed by the Owner, that the vessel is expected at Torre Annunziata in about 8 days, but he is not quite sure whether the survey will be completed there; if it is not, the vessel goes to Rotterdam at the end of the month for new boilers, when all overdue surveys will be completed.

The 8 It is submitted, that this might be approved.
